ABOUT US

NEWS

Brandywine's *Reflections Program* provides a unique, stimulating, supportive environment for residents with Dementia, Alzheimers and other related memory care needs. The environment is specifically designed to be safe and secure, with all the warmth and simple elegance people expect from Brandywine. Patience, kindness and compassion are our hallmark. The past is important, but your loved one's future is our focus.

STIMULATING SUPPORTIVE SAFE

At the heart of everything we do is our one-of-a-kind *INVEST* Mission. We *INVEST* in the individuality and identity of each resident. We *INVEST* in a social environment that can create magical moments. We *INVEST* by offering specialized training for our team members. We *INVEST* by gaining a commitment from our families to remain involved with their loved ones. Some of the unique program features of our *INVEST* Programs include:

Reflections Serenade is our state-of-the-art memory care program combined with the added luxury of *Serenade* services which include a butler to provide even greater customer service to our residents and their families. Another truly unique feature is the availability of neuropsychology services to educate and counsel residents and family members on the many aspects of living with dementia, Alzheimer's

Testimonials

"Your staff has provided love, compassion and friendship to a degree we could hardly have imagined. There is a culture pervading the entire staff that comes across to residents, loved ones and visitors. Its hallmarks are professionalism, compassion, love, and commitment to excellence. I congratulate you for the culture you have created."
